25 This bill provides for the licensure of genetic counselors.
 26 Under the bill, the board of medicine would be responsible
 27 for the licensure, discipline, and rulemaking relating to the
 28 practice of genetic counseling. The bill establishes a scope
 29 of practice for genetic counselors, provides requirements for
 30 licensure and continuing education, and includes licensee
 31 discipline provisions. The bill creates a genetic counselor
 32 advisory committee to propose rules and make recommendations
 33 on licensure to the board. The bill provides that persons not
 34 licensed under the bill, but who refer to themselves as genetic
 35 counselors or use other similar terms or abbreviations shall

1 be guilty of a simple misdemeanor. A simple misdemeanor is
2 punishable by confinement for no more than 30 days or a fine of
3 at least \$65 but not more than \$625 or by both.
4 The bill takes effect January 1, 2017, except that the board
5 of medicine may begin implementation before that date.
